

**How much is tuition?**

Tuition is based on the number of class minutes your family takes (includes all members within the immediate family). The more classes you take, the less your hourly rate becomes!

**When and how do I pay?**

The easiest way is to sign up for our free service - automatic credit card billing. We can charge your tuition on a Visa, MasterCard, Discover or American Express. It's safe, convenient and saves you time. Otherwise, you can stop in the studio and pay with cash, check, or credit card. Payments are due by the 1<sup>st</sup> day of the month. We will email statements each month as a reminder. Late fees are assessed after the 15<sup>th</sup> of the month for 10% of the total tuition amount. Returned check fees are \$25.00

**Can my child make up a class that he/she missed?**

Absolutely! Just let us know ahead of time so we can make sure space is available.

**Are there recitals?**

Yes, there are two! One is our Christmas Recital in December and our BIG end of the year recital is on Saturday, June 4<sup>th</sup>.

Participation is optional. Those who participate will need a costume-they range from \$50-\$75 each. There is no recital fee. Tickets are extra.

**Where should I buy the dancewear I need?**

Here of course! We feature competitively priced leotards, tights, shoes, accessories, unique gifts and more. Our friendly staff can assist with finding the right sizes.
